"BOYS WILL BE JOYS"

By Hal E. Roach. ✓

The Gang build an amusement park on a vacant lot. Some surveyors chase them off, saying a factory is going up there, but the kids go to the head of the company and he helps them get the thing going. A board of directors' meeting is held in the park and the gang gets them to ride on the various thrillers and also help run them. The head of the company resigns, saying he is tired of working and would rather retire and be a boy again.
